CHARTER COMMITTEE RECOMMENDS
APPOINTIVE OFFICERS FOR SHERIFF,
COUNTY EXECUTIVE AND OTHERS

Recommendations to the controversial San Mateo County Charter are set for certain to appear on the ballot at the general election in November, after completion last week of a report by a Charter Committee appointed by the Board of Supervisors.

Two committees have been working for a year on a study of the provisions. The second committee, called the Charter Revision Committee and headed by County Executive Fredrick Peterson, has not yet announced its recommendations. Reliable sources indicate this committee will urge that supervisors be elected by individual townships, instead of by the county at large, and that salaries be increased for all county officials, including district attorney and sheriff.

The committee appointed by the Board of Supervisors came up with the following recommendations:

GENERAL: The report pointed out two weaknesses in present county government: "two-headed" government with constant conflict between the board of supervisors and county executive, both elected, and an alleged breakdown of law enforcement agencies in the county.

COUNTY MANAGER: The committee would make the county manager an appointive one, replacing the county executive. The manager would be appointed by the supervisors from three applicants selected in an examining board; he could be removed only by a four-fifths vote of the board of supervisors. The board would draw a minimum salary of \$10,000 per year.

COUNTY MANAGER: The committee would make the county manager an appointive one, replacing the county executive. The manager would be appointed by the supervisors from three applicants selected in an examining board; he could be removed only by a four-fifths vote of the board of supervisors. The board would draw a minimum salary of \$10,000 per year.

BOARD OF SUPERVISORS: The committee would recommend that the board of supervisors be reduced to five members, with the county manager as ex-officio member. The board would select three other representative county citizens.

SHERIFF, CONTROLLER, ENGINEER: The committee recommended that these positions be made appointive, with the county manager as ex-officio member. The board would select three other representative county citizens.

PROPOSITIONS: The report submits five propositions for the November ballot: No. 1, providing for an appointed county manager; No. 2, providing for an appointed sheriff; No. 3, providing for an appointed county engineer; No. 4, providing for an appointed county controller; No. 5, providing for an appointed county auditor.

CHANGES: The committee also recommended that all county employees be reduced to deliver an oath supporting the Constitution of the United States and would appropriate \$2,500,000 for use of the grand jury for investigative purposes.

Montoya Pleads Guilty
To Assault, Battery

William Montoya, 27-year-old Colma man arrested in April for an alleged attack upon a 22-year-old South San Francisco woman, pleaded guilty to a reduced charge in superior court last Thursday.

Charges against Montoya were reduced from "assault with intent to commit rape" to "assault and battery." The case is now in the hands of county probation officers.

CITY MOURNS
THE PASSING OF
HOWARD McHUGH

Friends in Daly City, San Francisco and the whole peninsula this week mourned the sudden loss of Howard A. McHugh, veterans' leader and former city councilman, who succumbed to a heart attack Sunday while visiting the Russian River region.

Respected throughout the county for his fairness, wit and pleasant manner, Howard McHugh had for years been one of the foremost members of the Veterans of Foreign Wars. At the time of his death he was adjutant of Old Glory Post No. 2044, VFW, and a past commander of that unit.

He was also a leader in the Military Order of the Cootie, VFW fun organization, and had spent many hours arranging entertainment and gifts for disabled servicemen in Veterans' Hospitals. Always dependable in an emergency, McHugh had served twice on the Daly City Council during military leaves for Councilman Hugh Smith Jr., and Paul Green, and was active in civic affairs generally. He was a leader in the campaign to erect a War Memorial Auditorium in Daly City.

For more than twenty years Howard McHugh was associated with the Farnsworth and Ruggles Drayage Co., starting in a lowly position and working steadily until he became an official of the company.

A member of Colma-Vista Grande Aerie 1848 of Eagles, McHugh leaves his wife, son and daughter.

Funeral services were to be held at 12:45 p. m. today, from the chapel of H. F. Suhr Mortuary, with interment at the Golden Gate National Cemetery.

Rev. Bennett To Speak On "God's Power"
The Rev. Joseph H. Bennett, pastor of the Ocean View Congregational-Community Church, will speak on the subject "Is God's Power Limited?" at 11 a. m. services this Sunday.

Sunday school classes for all age groups will be held at 9:45 a. m. A nursery is provided for younger children during the service. The church is situated just off Plymouth avenue on Broad street, three blocks from Siskies corner.

\$5,424.50 In Fines
South San Francisco police made 776 arrests in the month of June, according to a report by Police Chief Louis Belloni.

Police Judge S. K. Robbins heard 772 cases resulting in fines totaling \$5,424.50 during the same period.

Ordinance Adopted
For Annexation Of
Doelger Property

Another move in the controversial annexation of the Westlake subdivision west of Daly City was seen Monday night when the city council, in a three-man ballot, adopted the annexation ordinance.

With the absence of Councilman Paul Green and refusal by Melford Battye to cast a vote, the ordinance was endorsed by Mayor Anthony Gaggero, Fred Bertetta and Edward Mooney. A previous motion by Battye to reserve action for a "vote of the people" remained unseconded, and was denied.

The action came after a vigorous protest by Hugh H. Smith Jr., whose energetically delivered seven-page letter to the council was received without comment. Smith criticized the annexation as a "benefit only to the Doelger Corporation (owners of the 432 acres included in the annexation) — a gift of the use of our facilities until they've had time to build their own."

(A summary of Smith's comments is reprinted elsewhere in this edition.)

The 432 acres which comprise Westlake Annex are scheduled to become a part of Daly City August 25, 30 days after adoption of the ordinance. Meanwhile, a petition for referendum is being circulated within the city by Smith and other supporters of a popular vote on the matter.

Another annexation move taken up at Monday night's council session was the reading of a petition to annex Garden Valley, a three-acre tract of uninhabited land on the city's southeast border. The area in question, which lies between Market and Valley streets, was named in a petition signed by Frank Garibaldi and other property owners. Public hearing was set for August 23.

Maintenance of state highway routes through the city, including some 1.56 miles along El Camino Real, Mission street and San Jose avenue and approximately 34 miles of Junipero Serra boulevard, was provided for in a memorandum of agreement with the state department of highways.

Soldier Pleads
Not Guilty To
Rape Charges

Wilton McLean Upchurch, who was removed from a Japan-bound army transport to face charges of statutory rape against a young Daly City girl, was bound over to superior court last Friday after preliminary hearing before Municipal Judge William J. Sweeney.

Upchurch pleaded not guilty to a charge made by the girl's mother. He did not appear in his own defense, although J. A. Cost of San Mateo, defense attorney, cross-examined the girl and her mother, prosecuting witnesses. Deputy District Attorney John Weeks handled the prosecution. No date has yet been set for trial. Meanwhile, Upchurch is being held in the county jail in lieu of \$5,000 cash or \$10,000 bond bail.

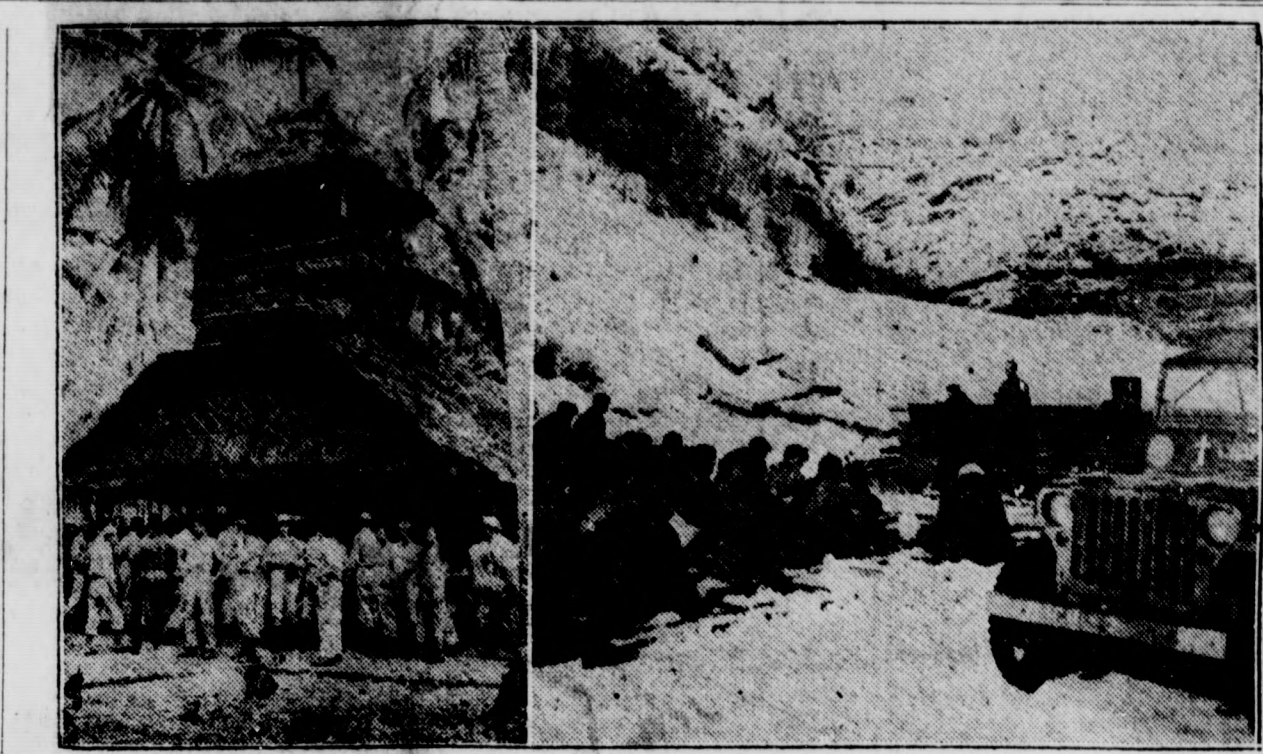

Have A Cigar

Peter J. Markovich feels better today. A bit thinner, maybe, with dark circles under his eyes from the nervous strain of the past few days. But closer scrutiny will reveal a couple of buttons off his vest. They popped off early Wednesday morning when the nurse said, "It's a boy!"

Frank Robert, named after his mamma's uncle who introduced her to his papa, and for his uncle Robert, first made his presence known at 5:31 a. m. Wednesday at St. Francis Hospital. Peter, Jean, Dr. Robert Thompson and Frank Robert are now "doing nicely."

Seven-Piece Orchestra For Festival Dance
Bill Richardson and his seven-piece orchestra will provide the music for the Festival Dance at Our Lady of Perpetual Help Church on September 11, it was announced by Father William Stewart yesterday.

The dance will feature a western theme and will be held at the school hall as a prelude to a gigantic Festival and Carnival slated for October 1, 2 and 3.

CONTRAST IN ARMY CHURCH SERVICES—In a thatched chapel in New Guinea (left) American soldiers attend Easter sermon by Army chaplain. With the sky for a dome and snow-covered hills as the walls to their cathedral, men of Company C, 1st Battalion, 135th Infantry Regiment, 34th Division, attend church services conducted by Chaplain Guy C. Jones, Delaware, O., in January, 1945.

FIRE INSURANCE RATES
ARE REDUCED IN DALY CITY

\$1.75 per \$1,000
Saving to Local
Home Owners

An indirect tribute to the work of the Daly City Fire Department is indicated in a recent ruling of the Board of Fire Underwriters of the Pacific which drastically reduced fire rates in this area effective June 16, 1948.

Rates had formerly been \$5.50 per thousand dollars of insurance, plus \$2.00 per thousand for extended coverage endorsement against hail, wind, etc., for three years.

The new rates are \$4.25 per thousand dollars of insurance, and \$1.50 per thousand for extended coverage endorsement. On a typical fire insurance policy written for three years on a typical dwelling, net saving is \$1.75 per thousand dollars of insurance coverage.

In Colma, classified as a rural area, there was no reduction in the three year rate of \$9.00 per thousand of insurance, but the extended coverage rate was reduced from \$2.00 to \$1.50 per thousand on a three year policy.

Broadmoor and Garden Village rates for three year insurance policies were reduced from \$9.00 to \$6.25 per thousand and extended coverage was reduced from \$2.00 to \$1.50 per thousand.

New rates in Daly City are \$4.75 per thousand less than the rate in Colma, and \$2.00 per thousand less than the rate in Broadmoor and Garden Village.

The new rates apply to frame construction dwellings with approved composition type roofs and do not affect business buildings, which are rated individually.

South City Adopts
Slot Machine Law

Providing for a steep \$500 license fee for each operator of any "coin operated amusement machine," plus a \$50 annual fee for each machine, the South San Francisco city council Monday adopted a pinball control ordinance which had been a controversial issue.

No machines will be permitted in establishments frequented by minors and a \$300 fine was set up for violators.

WELCOME
TO DALY CITY

New Families moving
into Daly City recently
include:

O. L. Benson, 374 Miriam street.
George Liminsky, 40 E. Vista avenue.

R. S. Hattings, 167 San Diego avenue.
Richard Ragni, 1011 Brunswick street.
F. F. Hebert, 156 Santa Barbara avenue.

Mrs. Lillian Felch
New President Of
Legion Auxiliary

Mrs. Lillian Felch, new president of the American Legion Auxiliary Unit No. 410, succeeded Mrs. Rose Gjorni to the chair last week in an installation ceremony conducted by officials of the 26th District.

The rites were presided over by Mrs. Ethel Casaretti, district president, assisted by Mrs. Helen Berreysa, first vice-president, acting as sergeant-at-arms. Mrs. Gjorni was awarded a past president's pin to mark her new advisory office.

A report by Miss Beverly Finnegan, the auxiliary's delegate to Girls' State from Jefferson High School, highlighted the evening's discussion.

The new governing body will include:

Mrs. Felch, president; Mrs. Ethel Harris, first vice-president; Mrs. Julia Jordan, second vice-president; Mrs. Margaret Kenney, secretary; Mrs. Vivian Pahlka, treasurer; Mrs. Minnie Bernardi, chaplain; Mrs. Olga Bordson, historian; Mrs. Kathleen Matzek, sergeant-at-arms; Mrs. Agnes Prescott, marshal; Mrs. Rose Gjorni, junior past president; Mrs. Naomi Murphy, Mrs. Anne Welch and Mrs. Leslie Hansen, executive board.

In line with The Record's policy of presenting both sides of controversial issues, the following are excerpts from a 2500 word letter from H. H. Smith to the city council, against the annexation of 432 acres west of Junipero Serra boulevard, which is being developed by Henry Doelger, Inc.

"I wish to express and place on record some of the questions which come to my mind, as well as some of my opinions and conclusions with respect to this proposed annexation.

"To begin with, the oft-repeated statement of the proponents of this annexation, 'this attractive district will be brought into the city at no expense to Daly City,' does not make sense to me. One might just as well say that because the streets, sidewalks, curbs and gutters, water system, hydrants and fire alarm system (those things promised by the Doelger Corporation at no expense to our city — because these were put in by assessment or bond issue and not paid for from the general fund of the city, that there then was and yet is no further cost to developing and running the city.

"In addition, we now find our tax rate at its highest legal limit and that we may have to raise the water rates to have sufficient income to conduct our city business. Why, under such circumstances, we of Daly City should think of taking on the added tax burden that will inevitably result from your going through with this annexation proposal is beyond my comprehension.

"Even if the Doelger Corporation planned, paid for and built a complete and entire city in every way and then turned it over to you, our costs of government per person would increase if the history of cities can be depended upon for what we may expect. This applies more particularly to cities that are not industrial cities.

"I could possibly understand a movement to expand a city industrially, bringing in pay rolls, but there will not be a single industry allowed in the new addition. We are just simply going to add more

Referendum Petition
Will Be Circulated
On Annexation Issue

Claiming that it is up to the people to decide whether the city should enter into an annexation program for the 432 acre Doelger tract west of Junipero Serra boulevard, a group of local citizens, including Councilman Melford D. Battye and George Kirchhubel, have announced they will circulate a petition for referendum to have the issue put on the ballot for the November elections.

"The annexation is one of the most important steps Daly City can take — it may be good or it may be bad. A measure as vital as this should be decided by the voters and certain civic-minded people who feel the voters of Daly City should decide this issue will submit a petition for referendum so that the people themselves will have an opportunity to vote on an annexation which is bound only by a 'gentlemen's agreement,' the announcement said.

Pointing out that the signing or sponsoring of a petition for referendum does not bind anyone to vote either for or against the annexation, the group asserts that such a measure will bring the exact facts of the annexation before the voting populace, by presenting arguments both for and against the issue.

The reference to a "gentlemen's agreement" refers to the annexation ordinance which was passed at Monday's Council meeting, and the group claims the conditions of the annexation are secured only by such an agreement.

Ira Neville Is Lucky
Lion At Lunch Meet

Loren Miller, of the county superintendent of school's office, presented a film "A Criminal Is Born" as a feature of the regular luncheon meeting of Lions International held at Estrada's Wednesday.

The picture portrayed the factors leading to criminal tendencies and showed that a delinquent child may be the product of any type of home, depending on total environment.

Ira Neville, popular local Ford dealer, won the ten dollar pot which is a regular weekly Lions Club occasion.

Next Wednesday at Estrada's the Lions will meet again, with John Ferrari of the Bank of America as chairman. Earl Fowler will speak on "Wills and Trusts." Luncheon begins at 12:30. All local businessmen are eligible to join the organization.

World War II Vets
Request Voice On
New Draft Boards

A strong protest over failure to include veterans of World War II on reactivated draft boards throughout the state was voiced last week by James E. Kehoe, San Mateo postmaster and state commander of the American Veterans of World War II.

Previous to passage of the current selective service legislation, it had been understood that World War II veterans would be represented on the boards.

"It was largely through the efforts of World War II veterans in leading veterans' organizations that the draft bill was passed," Kehoe said. "It is only fair and right that at least one World War II veteran serve on each draft board."

Indications are that most selective service boards are being reactivated with the original members who served during the war. Veterans contend that they are familiar with the exact requirements for service in the army, navy and marines and that they should therefore be considered in the selection of new draftees.

BUILDING PLANS FOR
ELEMENTARY SCHOOLSSharp Park Youth
Hurt In Accident

Gerald Regan, 21-year-old son of Police Chief William Regan of Sharp Park, was reported "improving" today by Junipero Serra Hospital attendants after sustaining serious injuries Saturday in an accident on Highway No. 1.

Regan was taken to the hospital in the county ambulance after the car he was driving collided with one driven by Joseph Ferrando on the highway between Sharp Park and Edgemoor. According to Dr. Lawler A. Drees, the youth suffered abrasions of the left shoulder and both legs, concussion and possible internal injuries.

Ferrando was not held.

Barbara Jensen
To Swim Tuesday
In Olympic Race

Young Barbara Jensen, Colma's contribution to this year's American Olympic swimming team, writes of her experiences in "clean, beautiful, green England" this week in a letter to her parents, the Jay Jensens of Colma.

Reveling in the "lovely two-story brick homes" and the "cute" little cars, Barbara writes of her difficulty in getting used to driving on the "wrong" side of the road. Berthed in the girls' dormitory at Southland Women's College, Barbara and her fellow Olympic swimming stars are only five minutes drive from Wimbledon and Putney Hill.

The local Miss begins her swimming competitions next Tuesday, in the quarter-finals of the 100-meter backstroke race. To date, she holds the U.S. national title for the 100 meter, with a 1:16.7 record. Barbara also holds the national outdoor 300-meter individual medley title, won at San Diego last month.

The shapely young graduate of Lowell High School swims under the sponsorship of the Oakland Athens Club.

Curfew Ordinance
For County Areas

A new curfew law to supplement the night time curfew regulations of the various cities of San Mateo County will soon go into effect.

The county curfew, designed to restrict juveniles in the unincorporated areas of the county, was endorsed last week by the county board of supervisors. Under the terms of the new law, children under 18 and their parents are held liable for violation of the ordinance.

Constituting four provisions, the curfew law pointedly makes parents responsible for their children's actions after 10 p. m. It provides that unescorted children under 18 years of age shall remain off the streets after 10 p. m. weekdays or midnight Fridays and Saturdays; that anyone encouraging a child to violate the ordinance is guilty of a misdemeanor; that operators of hotels, boarding houses, tenement houses, apartment houses and auto courts must report the presence of unescorted minors after curfew, and that minors shall not be allowed in dance halls, bars, restaurants or cafes after 10 p. m.

Further provisions of the ordinance require that the parents of a child found violating the ordinance be cited into juvenile court within five days, to show cause why they should not be charged with contributing to the delinquency of a minor. The ordinance presumes that if a parent allows the child to stay out late, he is "aiding, assisting, abetting and encouraging the violation."

Hillsborough Man
Quits Rent Board

Damien Reynolds of Hillsborough, chairman of the San Mateo County Rent Board, resigned from his executive post this week because of "disagreement" with policies of the Federal rent control board.

Reynolds will be succeeded by A. Nadelweiss, San Bruno real estate man. The resignation was to have become effective as of July 12.

The Hillsborough chairman, who stated his resignation was prompted by a resolution adopted by the board July 5, calling upon members to refrain from criticizing federal rent control policies.

Reynolds has come out publicly against the rent control act of 1948 designed to "strip local rent boards of authority" to make adjustments for tax-ridden landlords.

Architect Reports
Construction May
Be Started Soon

The present status of building plans for the Jefferson Elementary School District was somewhat clarified last Thursday by Mario Campi, architect, in a report to the board of trustees.

Campi gave his official report at a well-attended meeting in the sewing room of the administration building, where Superintendent James Snell was formally introduced to spectators for the first time.

Revised plans for a four-room addition to the present Woodrow Wilson Elementary School structure will be presented to the state board of education's division of schoolhouse planning next week, the architect revealed. At the same time, he said, preliminary plans for an eight-room school at the Garden Village site also may be submitted.

WOODROW WILSON FIRST
These, according to Campi, will be the first improvements under the three-unit "austerity building program" of the district. Construction of the Woodrow Wilson addition, he opined, may be started in about five months, with the Garden Village school to follow.

To date, the district has purchased approximately six and one-half acres in the Garden Village locality for its school site, and some five acres for future school construction in the Doelger subdivision. Appraisals on additional land adjoining both sites are now being studied by the trustees. Also under study are two appraisals made recently on a five-block site at Market street and Hillside boulevard.

Total funds which may be available for the construction program equal \$845,614, including \$17,383 from the 1947 sale of the old Vista Grand School property, \$348,000 secured by a bond issue, and

(Continued on Page 8)

South City Scavengers
To Pick Up Trimmings

A garden debris pick-up service, formerly operated as a city service in South San Francisco, may be discontinued and replaced by a paid service of the South S. F. Scavenger Co., it was reported at last week's council meeting in the Industrial city.

The scavenger company has made two proposals for collection of garden trimmings:

1. Two pick-ups per month for 75 cents per month.
2. One pick-up per month for 50 cents per month.

Social Week To
Be Climaxed By
Playday Friday

One of the largest events of the Daly City Recreation Department's summer program will be the all-city playday next Friday beginning at 10 a. m. at the high school.

In contrast to previous competitive events of the summer, this playday will feature a united program of athletics and contests. Where playgrounds vied with each other for honors in other competitions, the program next Friday will see mixed members from the various parks playing on two separate teams, and a scrambled team of girls pitted against the boys' strength.

Girls and boys 12 years and over will participate in such contests as badminton, paddle tennis, volleyball, softball and relays, while the 9-11 group will play dodge ball, kickball, net ball and relays. For the youngest group, eight years old and under, the department has prepared a program of singing games, circle and line games.

The free movie program at the high school auditorium Monday will include Episode 3 of "The Adventures of the Flying Cadets," "Gliding Wings," "No Indians, Please," an Abbott and Costello comedy, a community sing film, the cartoon "Dick Whittington's Cat," and "Grey Owl's Little Brother," a story of friendship between Grey Owl, a Canadian Indian, and a beaver.

The Wednesday outing will be a trip to Golden Gate Park, where the children will visit the aquarium, the African hall, the Academy of Science, the deYoung Museum, the Japanese Tea Garden and the Children's Playground.

Boxing classes are now underway at the high school gym on Tuesday and Thursday from 2-3 p. m. Boys are preparing for a boxing tournament slated for September 1. Registration is still open.

BOURNELLIS-PEZZOLA
LEAD DALY CITY WIN

Petrocchi, Kasich and Silvestri Add Thrills To Game

Coming to life in the last two innings to overcome a 6 to 1 lead, the City Baseball Club took a 10-7 victory from the Langen-Royal Bakers Sunday in the 2:30 feature at Marchbank.

Coming to life in the last two innings to overcome a 6 to 1 lead, the City Baseball Club took a 10-7 victory from the Langen-Royal Bakers Sunday in the 2:30 feature at Marchbank.

The PlaygroundsMARCHBANK PARK
By Glen Smith

On Wednesday, a group of youngsters left Marchbank park for a hike in the hills of Daly City. They went prepared with jars and bags to catch anything they could find.

The trip proved successful. Jerry Gruenwald, Jerry Sullivan, and Jackie Lewkowicz came home with frogs, snakes and polywogs which were entered in the pet show Friday.

Auditions are being held at Marchbank this week for the amateur show this Friday. A. J. Belair, four and one-half years old, proved a favorite when he sang, "I Like Mountain Music." He will be one of the performers in Friday's show.

Monday was spent organizing the track team for the track meet on Tuesday of last week. The team failed to reach the heights of last year, when they were barely beaten by the high school.

This year, the weather and lack of small children at Marchbank cost us what chance we had. We were trounced!

Everyone enjoyed the pet show Friday. The tug-of-war stole the show, we think, with the boys pulling the girls and the directors into the pit. At one time we counted 158 kids in the contest.

Jerry Gruenwald won the pie-eating contest, and we weren't surprised. All of Marchbank knew he would win if he entered.

Next Friday, July 30, Marchbank will participate in the amateur show. The older boys are planning a trip to see the 49ers practice.

CRAFT CENTERS

By James Kravinkel
and Elizabeth Kaneary

At the Peoria Crafts Center this week, beautiful technicolor turtles were made by Mary Ann Gensel, Chester Theuner, Laird Theuner, Ira Ingersoll, Beverly Vers, T. J. and Billy Whalen.

Finger painting was done by Orin Wakefield, Lea Winan and Angela, Frank and Pat Leary. Mothers remember to send your children, over five, to the Peoria Crafts Center Mondays and Thursdays.

At the Parkview Crafts Center, the following youngsters spent time coloring: Phyllis, Joyce, Norma, Nancy Jane, Floretta, Beverly, Margie, Ralph and Lillienne. Registrations were not taken last week. Consequently — no last names.

Gail Tays, Eleanor Karhummel, Dianne and Roberta Furger made felt purses which are useful as well as decorative.

CROCKER PLAYGROUND

By Elina Eichner

Crocker Playground claimed third place in the pet show last Friday. Pat Phillips and Grant Ross winning awards for having the smallest, most unusual and the largest and prettiest fish, respectively.

Sandra Faulk won a watermelon in the watermelon-eating contest for girls under 12, and Joe Moore claimed a candy bar for third prize in the boys' pie-eating race.

On the nature outing, Crockerites joined with the Marchbank and explored the Daly City hills, returning with samples of local wild life. Billy Farragher brought home a seven-inch water dog. Sherwood Rupp, Ronnie Quint and Gary Carlson bagged their quota of snakes, and Dickie Brown grabbed two one-inch frogs.

Friends of Merrilee Faulk, who broke her leg while competing in the high jump event at the track meet, will be glad to know she has returned home and is receiving visitors.

LITTLE JEFF

By Beverly Clement

This last week the kids of Little Jeff took their outing at the San Francisco Junior Museum. Most interesting to all was the model airplane room where the kids of our grounds spent the day building gliders and R.O.G.'s.

The winner of the ping-pong tournament was Bob Giorni, who didn't find Jose Ordonez any "easy pickin's." This week the kids went to hike through Muir Woods for their outing, and if conditions permit, they will go early Wednesday morning.

JEFFERSON HIGH

By Mary Falbo

Last week we played the Lincoln nine in softball, and lost by a 10-6 score.

Ed Cassicigo took the boys out on a fishing trip at the municipal pier last Wednesday and a fine time was had, even though no whales were caught.

This Tuesday, tryouts were held for the amateur hour to be held tomorrow at the high school. The kids went to Playland at the beach yesterday.

Winner of the badminton tournament at the high school was Jack Cooper. Bob Crawley, second place man in the tourney, gave Jack a bad time.

Folk dancing is still held Tuesday and Thursday from 10:30 a.m. until 12:30 p.m. for both boys and girls.

All those interested in playing

CHAPLAINS WHO MADE SUPREME SACRIFICE—In the annals of the United States Army there is no record of greater personal heroism than that of the courage of four young chaplains who gave their lifejackets to other men on a sinking troop transport and bravely went down with the ship. It was on February 3, 1943, when the USS Dorchester was torpedoed off the coast of Greenland. They have since been awarded posthumously the Distinguished Service Cross and a memorial postage stamp was issued in their honor. Above, left to right, they are George L. Fox, Methodist; John P. Washington, Roman Catholic; Alexander D. Goode, Jewish, and Clark V. Poling, Reformed Church.

Veronica Lake and Joel McCrea are co-starred in "Ramrod," exciting tale of adventure and romance with a great Wyoming cattle ranch as the background for the action. The picture opens its first Daly City run at the Crest Theater on Sunday.

MURDER STORIES

"San Francisco Murders," a recount of the city's most baffling homicides edited by Joseph Henry Jackson, book editor of the San Francisco Chronicle, has been released in reprint edition by Bantam Books. The painting of a cover for the book raised the question, "How many points on a San Francisco policeman's star?" A poll of eastern police showed that they guessed anywhere from three to nine so artist Robert Doornas had to wire the West Coast city's police chief to learn that the correct number is seven.

doubles in badminton may sign up at the high school Tuesday afternoon.

LINCOLN PLAYGROUND

By Jack Root

Lincoln's all-star softball team added another victory to its credit last week when the team won a close game from Big Jeff by a score of 16-10.

Gene Lorenzo pitched Lincoln to the victory. Earl Holland starred for Lincoln, getting a homerun, two triples, and a single in five times at bat. Larry Hutchinson also hit a four-bagger for Lincoln.

To date, we have won every softball game we have played. All the other playgrounds have gone down to defeat by our hustling team.

We take Big Jeff on again next Thursday at General Pershing school. This should prove to be quite a contest.

In a croquet coloring contest held last Monday, cute little Marilyn Whinner won out over several other contestants. Marilyn is only six years old.

Ten boys and two girls went with the director on a nature outing in Golden Gate Park. The group looked over the aquarium, the museum and the conservatory. Those who made the trip were Jerry and Billy Tylenka, Richard and Billy Gensel, Bobby Rich, Connie Costello, Larry and Danny Caratta, Bob Murphy, Robert Giorni, Marilyn Whinner and Ray Bermudez. Our next outing will be to the Japanese Tea Garden.

Lincoln did itself proud in the track and field meet and the pet show contest that was held this last week, taking second place in both contests. The most outstanding athlete for Lincoln was Jack Wilson, with 19 points, followed closely by Jackie Chambers and Floyd Conella. Others accumulating points for Lincoln were Bud Reynor, Bob Stables, Larry Nofziger, Ritchie McDonough, Owen Charles, Paul Campion and Don Rhode. Connie Costello and her pet cat were greatly responsible for Lincoln's good showing in the pet show.

The director is quite proud of the great showing his kids made this week, and expresses his appreciation now. May we do as well in the amateur hour contest next week.

For The Veterans

Trailers and houseboats do not qualify as homes under the loan guaranty provisions of the G-I Bill. Veterans Administration reports.

Although frequently used as dwellings, trailers and houseboats are not "homes" within the meaning of the G-I Bill and are ineligible for loan guaranty.

However, G-I loans may be negotiated for trailers and houseboats if used for legitimate business purposes.

Four specific benefits become available upon the death of a veteran of any war, who was discharged under conditions other than dishonorable.

Veterans Administration is authorized to pay up to \$150 for funeral and burial expenses of a war veteran, provide an American flag for burial purposes, arrange for interment in a national cemetery and provide a grave marker.

Applications for any one of the four benefits may be obtained from any VA office, from Service organizations and chapters of the American Red Cross.

Disabled veterans may continue their training under the Vocational Rehabilitation Act, Public Law 16, a federal law. Veterans Administration suspends their disability compensation for failure to report for a physical re-examination.

However, during the suspension period, they will forfeit the special subsistence and dependency allowances provided for disabled trainees.

During that period they will receive only the subsistence allowance payable to non-disabled veterans training under the G-I Bill.

Question: I am a veteran of World War II and would like to buy a home. Where do I go to get a guaranteed home loan?

Answer: You must find a bank, savings and loan association or other private lender willing to make the loan.

Question: How much can I borrow to come within the provisions of the G-I Bill?

Answer: The law sets no limit on the amount borrowed. The limit is on the amount of guaranty. You may borrow any amount that the lender is willing to let you have, but the maximum VA guaranty is \$4,000 on a home or real estate loan or \$2,000 on a business loan.

Recreation Camp
For Blind Opens
Soon At Los Gatos

A group of blind children from northern California homes are busily preparing for the time of their young lives August 14 when Recreation for the Blind's summer camp opens for a two-week vacation period.

The camp is located near Los Gatos in the Santa Cruz redwoods, and while there the sightless youngsters will be taught swimming, riding, all kinds of out-door games, and they will take part in song fests, folk dancing, hiking and camp fire sessions.

There are still a few openings for the camp this year, Rose Resnick, blind concert pianist and founder of Recreation for the Blind, announced today. She sent a message through the newspapers of northern California asking parents of blind children to contact her immediately at 995 Market Street, San Francisco 3.

No fees are charged for the camping excursion, Miss Resnick said, since the entire project is supported through the generosity of individuals and organizations whose contributions defray camping expenses.

Recreation for the Blind, meanwhile, is conducting a fund campaign for \$100,000 throughout northern California to purchase and maintain a permanent summer camp for blind children.

And last week the children of Los Gatos started their own drive—a collection of pennies from piggy banks—as a gesture of welcome to the blind boys and girls who will be their neighbors during the camping period.

Contributions are being received at campaign headquarters, 995 Market Street, San Francisco 3.

University Men in For Navy Commissions At Sea

The USS Astoria (CL-90) sailed from Pearl Harbor, T. H., 10—Ten days of liberty and training in Hawaii!

It was the thought uppermost in the minds of 355 midshipmen of the Naval Reserve Officers' Training Corps units aboard this sleek Cleveland-class cruiser shortly after noon today. The midshipmen are from seven universities throughout the United States.

It is on the agenda for most of the day a formal dance at the Harbor Officers' Club to which a fitting climax to eight

days of intensive drills and exercises while the Astoria, together with the battleship USS Iowa and the light cruisers USS Springfield and USS Pasadena, plowed through heavy seas from Long Beach, California. Their task group commander is Rear Admiral Ernest E. Hermann, USN, who is aboard the Iowa.

Tonight's dance has been a sort of piece-de-resistance for the midshipmen, since a radio message was received by the task group several days ago that at least "three hundred hostesses" would be on hand to show them the hospitality for which Hawaii is famed.

This morning, however, the embryo naval officers on board these vessels for their annual summer training cruise had no time to think of Hawaii, liberty, or dances. They had their hands full as they

got their first real taste of full-scale wartime exercises. Planes from a carrier task force filled the skies and made run after run on this four-ship task group. Lurking beneath the waters was a submarine wolf-pack; its mission was to "prevent" the force from reaching its "home port"—Pearl Harbor. Midshipmen manned anti-aircraft batteries and "tracked" the diving, swooping planes as the simulated attack reached its height. Formation after formation of fighters, dive bombers and torpedo planes "peeled off" high above the wildly maneuvering surface force and came screaming in, only to pull out at last-height and go zooming back up again.

Meanwhile, a squadron of destroyer escorts, which had joined the group during the night, took on the undersea ships, performing intricate zig-zag patterns ahead of and on the flanks of the force. The attack over, the planes formed in groups and passed overhead in a thundering review—a sight which, framed against the

black majesty of Diamond Head, the midshipmen probably will never forget.

Then these future officers for Uncle Sam's fighting ships from the Universities of California, Georgia Institute of Technology, North Carolina, Notre Dame, Ohio State, Rensselaer Polytechnic Institute and Yale got their first chance to actually fire shipboard guns.

Planes from Pearl Harbor bases made numerous "runs" over the ships with their targets towed by long cables and the midshipmen, firing under the supervision of regular ship's commissioned and petty officers, finally saw their hours and hours of gun drills pay off. Their marksmanship had to be good to live up to the standards set by their instructors of the "Mighty 90" crew, who only four days ago showed what they could do by destroying a derelict Japanese mine at sea under the most difficult firing conditions.

The ten-day stay in Pearl Harbor will not be all recreation, however, for a full schedule of tours of shore establishments has been arranged. Also, each midshipman will undergo submarine indoctrination training which includes a trip to sea aboard an undersea vessel.

The tours will take them to all types of shore bases, running the gamut from supply depots to har-

Moose Women To Start Bowling Team Sept. 7

San Francisco Chapter 739, Women of the Moose, has extended an invitation to all prospective members to join the chapter's bowling team, which is scheduled for organization September 7.

Games will be played at the Golden Gate Bowling Academy at 115 Jones street. Lucille Peterson, captain of the team, will accept registrations at Underhill 1-8418.

Irish Dance Saturday At St. Boniface Church

Erin folk dances, waltzes and other favorites of old Ireland will highlight the Irish Dance scheduled for 8:30 p.m. Saturday at 109 Golden Gate avenue.

Sponsored by the St. Francis Club of St. Boniface Church, the affair will feature the sets, stack of barley, highland fling, burn dance and other numbers fancied by the Irish clans.

bor defense installations.

Then, on July 30, they will again put to sea for San Diego. Arrival there is scheduled for August 7, and gun drills and amphibious training off San Clemente Island are scheduled to begin two or three days later.

Four Road Projects In Mendocino County

Four highway improvement projects are under way in Mendocino county, reports the California State Automobile Association with a warning to motorists that careful driving is necessary in each of these construction areas.

Two projects are on State Route 1, one at a point about five miles north of Fort Bragg where the highway is being straightened, and the other at the mouth of the Navarro River, approximately ten miles south of Mendocino where a new bridge is under construction.

The Navarro River Highway, State Route 28, is being widened at a point approximately seven miles west of Navarro, near Dimick Memorial Park.

A new bridge is being built near the half way point on the route connecting U.S. 101 at Willits and State Route 1 near Fort Bragg.

Crocker Amazon Group Plans Picnic September 5

The Crocker Amazon Park Improvement Association will hold a meeting Tuesday, August 3, at 7 Amazon avenue at 8:30 p.m.

Reports will be given on the picnic planned for Sunday, September 5, at Flood Park. Mike Coll will preside and refreshments will be served.

COURTNEY HARDWARE OPENS NEXT SUNDAY

Opening next Sunday, August 1, with a dazzling display of modern home merchandise and services, the new Courtney Hardware building at 1234 Geneva avenue will be one of the most complete stores of its kind in the bay area.

A four-day opening, August 1-2-3-4, will feature a host of free prizes and give-away prizes on many lines of homeware. Each visitor to the store during the first four days will be eligible for prizes to be awarded Wednesday, August 4, at 8 p.m.

In cooperation with QRS Electric Co. of 5128 Mission street, the new Courtney Hardware store will offer a complete line of electrical appliances and radios, with such famous names as Philco, Bendix, O'Keefe-Merritt, Maytag, Toastmaster, Sunbeam, Westinghouse, Universal and many others. Stoves, washers, home laundries, freezers, irons, vacuum cleaners, clocks and lamps of every description will be displayed.

Mr. and Mrs. Frank Courtney, popular proprietors at 1244 Geneva avenue, are opening the new store to accommodate their many friends and customers who have made the expansion possible. Also on tap behind the counters will be local boys Jimmy Cunningham and Frank Sullivan, well known in the Geneva-Excelsior district.

The Moe brothers, K.A. and M.O., owners of QRS Electric at 5128 Mission street, will manage the radio and appliance department in the Courtney enterprise. Their motto is "We Give Moe Service Than Anyone," and a complete repair service for radios and any appliance will be maintained, with free pickup and delivery.

The new store will be open Monday through Saturday from 8 a.m. to 8 p.m. and the doors will be open on Sundays and holidays from 8 a.m. to 2 p.m.

Practically every home service will be combined under one roof at 1234 Geneva avenue. Sporting goods, toys, gift and homeware, notions, shades, hardware, paints and plumbing supplies, a model kitchen, rugs and garden tools are only a few of the departments.

St. Michael's Women To Sponsor Whist

The monthly whist game sponsored by the Catholic Ladies Aid society of St. Michael's Parish is scheduled for August 4 in the parish hall at 32 Broad street.

Mrs. L. Kelly, chairman of the affair, said this week that games will begin at 2 p.m. Members of her committee are Mesdames M. Jessup, M. Lehner, N. Keller and F. Kelterer.

"CLEMENTINE"

Kansas City's Peggy Goodin, who wrote the novel "Clementine" to win a school prize while attending the University of Michigan, gives this account of her brain child: "Clem got herself born in something like nine months, mostly from midnight on, in the basement of the Chi Omega house, with Shakespeare and English history stacked at one end of the ping-pong table and me and the coffee pot at the other."

Like the movie, the reprint edition of the book is titled "Mickey." The change came about when the movie producers decided that "Clementine" was too feminine a name for the tomboy heroine in the story.

New Generator In Operation At Shasta Dam

The fourth generating unit at Shasta Power Plant and the first leg of one of the CVP's West Side transmission lines, carrying Shasta power to the Shasta Substation, 30 miles from Shasta Dam, went into operation simultaneously today, it was announced in Sacramento by Ben W. Creim, regional power manager for the Bureau of Reclamation.

The generating unit itself will add 85,000 kilowatts of power capacity to the area's supply, while the new line will carry this power plus 8,000 kilowatts of capacity hitherto not utilized because of lack of transmission facilities. Energizing the new unit will bring the installed capacity at Shasta to 300,000 kilowatts. However, since the units have proven their ability to operate at overload, generating

capacity at the plant will be 340,000 kw, of which 334,000 kw can be delivered at Shasta Substation where the power will enter the system of the Pacific Gas and Electric Company.

Creim said the additional power is to be marketed to the utility company on a day-to-day basis, in the absence of a new contract. The company, he said, has refused to sign a contract satisfactory to the government. The same day-by-day arrangement has obtained for sale to the company of energy from the third Shasta unit which went into operation on April 15 of this year. The reclamation official pointed out that the existing contract with the company, which covers the energy delivered from the first two Shasta units and rental of the Government's Shasta-Oroville transmission line, will expire on December 31 of this year.

"In releasing this power, as circumstances force us to do through the facilities of the P. G. & E.," Creim said, "I feel compelled to point out to the public which so urgently needs it that the company's transmission facilities are inadequate for a safe and reliable handling of the Shasta power. They are extremely vulnerable to failure, and a complete loss of the Shasta capacity could easily occur. It is absurd to assert that this area is adequately served, either in generation or transmission."

NEW BANTAMS

Bantam Books will increase its releases from six to eight books a month, starting in July.

Ian Ballantine, president of the publishing firm, has given the expanding market for quarter books as reason for the action.

"The rise in volume sales of quarter books offers an opportunity to widen the scope of subject matter," he said. "With an increase in titles we hope to offer greater variety to our readers."

77 ways to save on food! You'll find many more at SAFEWAY

THE sure way to learn the facts about food savings is to compare ALL prices. Comparison of just a few advertised prices will not give you a true picture of total food costs because—you can't feed your family on weekend "specials" alone. We invite you to check each of our prices against what you pay if you shop elsewhere. Then compare the total. See how you can save on food when every price is low. Be sure... shop Safeway.

Vets Must File Now For College

Floyd D. Granger, veterans service officer, today urged veterans who plan on entering school this fall under either the state or federal program, to file now for their certificate of eligibility.

By filing early, veterans can be assured of receiving their first subsistence checks with a minimum of delay. Those veterans who do not secure their certificates prior to registration may have to pay their own fees for tuition, books, and other materials, Granger stated.

Under the state program, an authorization certificate, which defers the students' fees, cannot be issued until the veterans' certificate of eligibility is approved by the Department of Veterans Affairs and his educational application is on file with the department.

Certificates of eligibility may be applied for through the veterans service officer located at the San Mateo County Courthouse, Redwood City. Complete copies of discharge must be submitted when filing.

Granger said he can assist veterans in filing for either state or federal educational programs. Full information on various phases of these programs may also be obtained at the veterans service office.

8 p.m.—Devotions, Our Lady of Perpetual Help church, 60 Wellington avenue.

8 p.m.—Regular meeting, Daly City Band, No. 5 firehouse, Oliver and Bellevue.

Wednesday, August 4

12:10 p.m.—Regular meeting, Daly City-Colma Lions club, Estrada's Spanish kitchen, El Camino real.

7:45 p.m.—Weekly Prayer meeting, Grace Church of the Nazarene, Vista Grande and Santa Barbara avenues.

7:45 p.m.—Prayer and Praise Service, Grace Presbyterian church, Hanover and Evergreen.

8 p.m.—Meeting, Daly City Unit No. 410, American Legion Auxiliary, Legion hall, 474 San Diego Avenue.

8:15 p.m.—Regular meeting, El Carmelo Parlor No. 121, NDGW, Masonic temple, 17 Hillcrest drive.

Thursday, August 5

8 p.m.—Meeting, Ladies Auxiliary Co. No. 4, DCFD, Peoria street.

8:15 p.m.—Meeting, Colma Vista Grande Aerie No. 1848, FOE, 3346 San Jose avenue.

8:30 p.m.—Meeting, Court St. Mary No. 1155, CDA, Masonic temple, 17 Hillcrest drive.

Fiesta Building Nears Completion In Belmont

A permanent home for the San Mateo County Fair association's activities was nearing completion this week as an army of workmen rushed completion of the building, according to George Lagomarsino, fair commission president.

Second in size only to the Cow Palace on Geneva avenue, the new building in Belmont will cover a floor area 200 feet by 320 feet, representing an investment of \$500,000 without any cost to county tax payers.

The new structure will be ready for the opening of the San Mateo County Fiesta, September 24 through October 3.

CHECK FUEL LINES

Needless waste of gasoline and a serious fire hazard can both be eliminated by an occasional check-up of the automobile fuel lines.

El Carmelo Drum Corps Needs More Members

An appeal for additional participants in the activities of El Carmelo Parlor's prize-winning drum corps was made this week by the corps' major, Miss Verna Moresco.

Only requisites for membership are affiliation with the Native Daughters of the Golden West, and age over 18 years.

The drum corps, which has earned high standing among similar organizations of its kind in the bay area, holds practice every Tuesday from 7:30 - 9:30 p.m. at Jefferson High School. The group participates in no less than five parades each year.

Women desiring more informa-

Liberal Deferment For Men Over 25 Expected

Fewer than one per cent of the nation's 1,200,000 men 25 years of age will be called when inductions start about October 1, according to Selective Service Director Lewis B. Hershey.

He indicated that the overall deferment policy will be far more generous than was the case during the war.

Because of deferments and exemptions, it is expected that only 600,000 men will be considered for induction.

tion on the drum corps may telephone Miss Moresco at DElaware 3-5949.

North Coastside Fire District Enlargement

Requesting that the North Coastside Fire Protection district be enlarged to include Sharp Park Golf Course, the San Francisco Park Commission last week offered to assign extra fire-fighting equipment to the fire protection district. The golf course is owned by the City and County of San Francisco.

The move would extend the North Coastside Protection district from Edgemar to Vallemar.

OVER-ANXIOUS

Many drivers travel at such excessive speed that they seem anxious to meet disaster less than half way.

Methods of execution in the United States and Territories include electrocution, lethal gas, hanging and shooting.

Total deliveries of all milk and cream in California in 1947 contained 219,240,000 pounds of milk fat.

Ordinance No. 279

AN ORDINANCE APPROVING ANNEXATION OF UNINHABITED CONTIGUOUS TERRITORY TO BE DESIGNATED "WESTLAKE ANNEX".

The Council of the City of Daly City, San Mateo County, California, do ordain as follows:

WHEREAS, on June 14, 1948, said Council by resolution duly initiated proceedings for the annexation of certain uninhabited contiguous territory to this City to be designated "Westlake Annex", which said uninhabited contiguous territory is hereinafter described:

WHEREAS, a copy of said resolution was published on June 17, 1948 and June 24, 1948, being at least once a week for two successive weeks prior to the hearing of such proceedings, in the Daly City Record, a newspaper of general circulation published in the said City of Daly City;

WHEREAS, the hour and place for such hearing was set for Tuesday, the 6th day of July, 1948, at eight o'clock P.M. at the Council Chambers of the City Council of the City of Daly City, in the City Hall in said City, State of California;

WHEREAS, said hearing was duly held at said time, date and place;

WHEREAS, at said time, date and place no owner of property within the territory proposed to be annexed and no other person had filed written protest against said proposed annexation;

WHEREAS, it is to the best interests of this City that said uninhabited contiguous territory be annexed to this City;

WHEREAS, proceedings herein have been duly taken in accordance with the provisions of that certain act of the Legislature of the State of California, entitled "Annexation of Uninhabited Territory Act of 1939", as amended.

NOW, THEREFORE, IT IS HEREBY ORDERED, as follows: 1. That the certain uninhabited contiguous territory situated in the County of San Mateo, in the State of California, and more particularly bounded and described as follows, to-wit:

BEGINNING at the point of intersection of the westerly boundary line of Daly City (the city limit of Daly City is 200 feet west, measured at right angles to the westerly line of Junipero Serra Boulevard), with the line dividing the lands of Henry Doelger Builder Inc. from the lands of the Lake Merced Golf and Country Club, as said dividing line is described in that certain deed from Henry and Thelma Doelger to Henry Doelger Builder Inc., dated March 1, 1945, and recorded in Volume 1150 of Official Records at page 418. Records of San Mateo County, said point of beginning being also N. 57° 28' 40" W. 238.49 feet, then said dividing line from the intersection thereof with the westerly line of Junipero Serra Boulevard, thence from said point of beginning N. 57° 28' 40" W. 487.14 feet, thence N. 78° 49' 40" W. 943.75 feet, thence S. 82° 09' 20" W. 318.34 feet, thence N. 12° 08' 05" W. 537.08 feet, S. 23° 41' 45" W. 828.44 feet, S. 16° 43' 45" W. 683.21 feet, and S. 9° 19' 20" W. 682.71 feet to the southerly line of the said Doelger lands, thence along said southerly line S. 89° 44' 50" W. 1381.39 feet, thence N. 0° 00' 20" E. 211.44 feet, thence N. 89° 46' W. 2208.78 feet to a point on the easterly line of Skyline Boulevard as conveyed to the State of California by deed dated October 17, 1921 and recorded February 7, 1922 in Book 31 of Official Records at Page 358, Records of San Mateo County, California, thence along said easterly line N. 0° 28' 20" W. 309.76 feet, thence 776.58 feet northwesterly on the arc of a curve to the left, the radius of which curve is 2040 feet and the central angle of which curve is 21° 48' 40", thence N. 22° 17' W. 1340.29 feet to the point of intersection of said easterly line of Skyline Boulevard with the line dividing the lands of the Olympic Club from the hereinabove mentioned lands of Henry Doelger Builder Inc., thence leaving said easterly line and along said dividing line N. 89° 11' 05" E. 618.90 feet, N. 89° 50' E. 616.91 feet, N. 0° 08' 53" W. 319.58 feet, S. 71° 15' 10" E. 512.18 feet, N. 86° 41' 50" E. 847.06 feet, N. 53° 10' 15" E. 566.46 feet, N. 4° 49' 40" W. 553.53 feet, N. 0° 11' 40" W. 183.46 feet and N. 12° 37' 50" E. 225.24 feet, thence leaving said dividing line N. 89° 47' 50" E. 186.41 feet to a point on a line drawn parallel to and distant 100 feet from the center line of the right angles from the center line of Lake Merced Boulevard, thence along said parallel line N. 0° 12' 10" W. 359.51 feet, thence 116.47 feet on the arc of a curve to the right tangent to last said course the radius of which is 175.00 feet and the central angle is 38° 07' 52", thence N. 37° 35' 42" E. 50.07 feet to a point on the line dividing the City and County of San Francisco from San Mateo County, thence along said County line 328.6 feet easterly, thence leaving last said line 58.12 feet southeasterly on the arc of a curve to the left, the radius of which curve is 228 feet and the central angle is 14° 36' 32", thence 171.32 feet southeasterly on the arc of a curve to the right, the radius of which curve is 172 feet and the central angle is 57° 04' 10", thence 173.46 feet on the arc of a curve to the left, the radius of which curve is 162.81 feet and the central angle is 61° 03' 19", thence N. 54° 18' 40" E. 61.40 feet to the corner common to the lands of the City and County of San Francisco, the San Francisco Golf Club and Henry Doelger Builder Inc., thence along the line dividing the lands of the San Francisco Golf Club from the said lands of Henry Doelger

OFF THE BLOTTER

Approximately 500 feet of 1x8 redwood siding, and some 400 feet of 2x2 redwood was reported stolen Tuesday from a construction site on Peoria street between Evergreen street and Crocker avenue.

The missing lumber was the property of the Huber Construction company, which is building homes on the site.

Fire Company No. 4, under the supervision of Fire Marshal August Benassini, extinguished flames in a dump pile in the hills east of Daly City last Friday when they threatened the city's dog pound across the road.

Damage to a wooden platform over the ditch in front of the Chaleet restaurant on Junipero Serra boulevard resulted last Saturday when a car driven by Roy E. Okerstrom of San Francisco crashed into the structure. Okerstrom, whose car was put out of commission, told police he was forced into the platform by an unidentified car which crowded him off the highway.

Property damage resulted Sunday in an automobile accident on North Parkview avenue near Niantic street. Drivers were Edward Pagelli of San Francisco and Peter Pardini, 24 Mateo avenue.

The two and one-half-year-old son of Eugene P. Greer sr., of San Francisco, was taken to Junipero Serra Hospital Sunday for treatment of minor injuries sustained in an accident at the intersection of School street and Junipero Serra boulevard. Driver of the other car was Arthur W. Kelleher of San Francisco.

Notice of Trustee's Sale
No. 375052-AB

On FRIDAY the 30th day of July 1948, at the hour of 10:00 A.M. of said day, in front on the entrance to the office of California Pacific Title Insurance Company, located at No. 2303 Broadway, in the City of Redwood City, County of San Mateo, State of California, CALIFORNIA PACIFIC TITLE INSURANCE COMPANY, a corporation, as Trustee, will sell at public auction, to the highest bidder, for cash, in lawful money of the United States, all payable at the time of the sale, the following described real property, situated in the County of San Mateo, State of California, and described as follows, to-wit:

Lot No. 38 in Block Number 13 as shown on that certain map entitled "Map of Subdivision No. 1 of Schwerin Addition-Visitation Valley Property of Schwerin Estate Realty Co., San Mateo County, California," which map was filed in the Office of the County Recorder of San Mateo County on October 5, 1908 in Book 6 of Maps at Page 42.

Said sale will be made without covenant or warranty regarding title, possession or encumbrances to satisfy the obligations secured by and pursuant to the power of sale conferred in a certain deed of trust executed by NICHOLAS M. SCHLADER and ELNA O. SCHLADER, his wife, as Trustees, to CALIFORNIA PACIFIC TITLE INSURANCE COMPANY, a corporation, as Trustee, for the benefit and security of A. G. BEAMAN and IRENE F. BEAMAN, his wife, dated October 18, 1947, and recorded on October 18, 1947, in Volume 1485, at Page 113, of the Official Records of San Mateo County in the Office of the County Recorder of said San Mateo County.

Dated: June 30th, 1948.

Resolution No. 1039

GIVING NOTICE OF PROPOSED ANNEXATION OF UNINCORPORATED TERRITORY GARDEN VALLEY ANNEX

RESOLVED, by the City Council of the City of Daly City, San Mateo County, California, that

WHEREAS, a written petition signed by Frank Garibaldi and other property owners has been presented to this Council, which petition contains a description of certain uninhabited territory in the County of San Mateo contiguous to the City of Daly City, and requests the annexation of said territory to said City pursuant to the provisions of Annexation of Uninhabited Territory Act of 1939 (Deering General Laws, Act No. 5162, as amended);

WHEREAS, it appears and the Council finds that said eight petitioners are the owners of not less than one-fourth of the area of the land in such territory and representing not less than one-fourth of the assessed value of such territory according to the last preceding equalized assessment roll of the County of San Mateo in which such territory is situated; and

WHEREAS, it appears and this Council finds that said territory is contiguous to the City of Daly City and each of the territory to said City;

NOW, THEREFORE, IT IS ORDERED AS follows:

1. That Monday, the 23rd day of August, 1948, at the hour of 8:00 o'clock P. M. California Daylight Saving Time, in the Council Chambers of the City Hall, Daly City, California, is hereby fixed as the time and place when and where any person owning real property within such territory so proposed to be annexed and having objections to the proposed annexation may appear before the City Council of the City of Daly City and show cause why such territory should not be so annexed.

2. At any time not later than the hour set for hearing objections to the proposed annexation, any owner of property within the territory proposed to be annexed may file written protests against the proposed annexation. Such protests shall state the name or names of the owner or owners affected thereby and the description and area of such property in general terms.

3. A copy of this resolution shall be published once a week for two successive weeks prior to the hearing in the Daly City Record, a newspaper of general circulation published in said City.

4. The territory so proposed to be annexed and the exterior boundaries thereof are more particularly described and set forth in "Exhibit 'A'" hereto attached and by reference incorporated herein, which territory is hereby designated as Garden Valley Annex.

I hereby certify the foregoing to be a true copy of resolution adopted by the City Council of the City of Daly City, California, at a regular meeting thereof held on the 26th day of July, 1948, by the following vote of the members thereof:

AYES, and in favor thereof, Councilmen: Bertetta, Battye, Mooney, Gaggero.

NOES, Councilmen: None. ABSENT, Councilmen: Green.

B. C. ROSS,
City Clerk of the City of Daly City.

APPROVED:
A. J. GAGGERO,
Mayor.

Plan To Extend Junipero Serra To Millbrae

Plans for the completion of the Junipero Serra Highway are now under way and officials of the project are looking forward to fulfillment of these plans some time in the very near future.

In a conference with the officials of the proposed project, which had its conception back in the year 1928, Andrew J. Gallagher, secretary of the board of directors, said yesterday that steps are being taken to finance the completion of Serra Highway from Sneath Lane to Millbrae avenue in Millbrae.

The construction of this road is a three way project of the State of California, San Francisco and San Mateo counties. When completed it will run from the county line of San Francisco at Daly City to Millbrae avenue in Millbrae at which point it will join in with Highway No. 101.

Difficulties in procuring the needed properties for the highway necessitated in its temporary ending at Sneath Lane, Gallagher stated. Four and two-tenths miles are to be added to the present six and one-half miles which have been completed.

The cost of completing the balance of the road is an estimated \$1,500,000. Ninety-five per cent of the needed right-of-way has been secured to date.

The completed six and a half miles cost a total of \$1,233,512.36. Of this amount the State of California contributed \$373,672.66, San Francisco \$949,479.84 and San Mateo \$167,541.50.

Conferences with the State Board of Public Works, Highway Commission, Harry Ross, controller of the City and County of San Francisco, Thomas Brooks, chief administrative officer of San Francisco, and Mayor Robinson have been authorized by the board and the directors hope to obtain the go-ahead signal from state officials by borrowing funds or issuance of revenue bonds.

It was pointed out by Secretary Gallagher that none of the money obtained would add to the local tax

Ed Cereghino, 14-Year Local Pitcher, Plays At Seals' Stadium

Ed Cereghino, 14-year-old baseball pitcher who just completed his freshman year at Jefferson High School will pitch at Seals Stadium Sunday in an all-star game against promising ball players throughout northern California. Other chuckers who will see action are Dick Murphy, of Sacred Heart High and Dave Leon of Ralph Play-ground.

The Daly City right-hander was discovered a year ago by George Wolfman, Seal's instructor, while playing in a pick-up game. Wolfman calls Cereghino a natural born pitcher with plenty on the ball.

Cereghino was ninth in line for elimination games at the Seals Baseball School this year and after waiting two days for a chance, took the mound and made good.

Glen Park P.T.A. Plans Picnic

Women of the Glen Park Parent Teacher Association and their children will travel to San Mateo Park August 4 for a picnic and playday.

The members will meet at Diamond and Chenery streets at 10:30 a.m., where they will board a 26 bus for Daly City, there to transfer to a 40 street car. Friends have been invited.

In charge of construction of the road is James B. West, resident engineer and superintendent of maintenance.

4-H Clubs To Be Guests At State Fair Sept. 3

More than 1,000 4-H Club boys and girls will be guests of the California State Fair on 4-H Club Day, Friday, September 3, it was announced today by Ned Green, secretary-manager. State Fair dates are September 2-12.

The annual convention of 4-H Club members will be held at the University of California College of Agriculture in Davis during the fair and all delegates will quit business sessions for one day to make the trek to the fair, traveling from Davis by bus.

The delegates will tour all exhibits as guests of the fair management and will see displays of the Future Farmers of America in the Junior Division. The 4-H Club show will open on September 7, for this year the two junior agricultural organizations are dividing time so that each will have more facilities. The Future Farmers will occupy the junior division buildings the first five days of the fair and the 4-H Clubs the final five days, after a one day interval for the changeover.

The 4-H Clubs this year will enter prize purebred beef cattle, dairy cattle, sheep, swine and poultry. One of the champions entered will be the yearling Guernsey owned by Jane Backman of the Mt. Pleasant 4-H Club.

SUMMONS
No. 45795

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

Action brought in the Superior Court of the State of California, in and for the County of San Mateo; and the complaint filed in said County of San Mateo in the office of the Clerk of said Superior Court.

JOHN FAGAN, Plaintiff vs. ELLEN C. FAGAN, Defendant.
THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO: ELLEN C. FAGAN, Defendant.

You are hereby required to appear in an action brought against you by the above named plaintiff, in the Superior Court of the State of California, in and for the County of San Mateo, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this summons, if served within said county, if served elsewhere within thirty days.

And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

WITNESS MY HAND and the Seal of the Superior Court of the State of California, in and for the County of San Mateo, this 14 day of May, A. D., 1948.

SMITH LETTER TO COUNCIL

(Continued from Page 1)

people, more expense and more taxes and therefore we are supposed to be made happier."

Smith then expressed his opinion that the heart of the city would eventually move to the new area, with bad results to local business development.

"We find a corporation coming to us with promises — promises that apparently have no legal standing — promises that they will provide, under this plan, what? If they proceeded to develop the Lake Merced area without putting it into Daly City, they themselves would have to provide not only what they promise, but all those extra things that go to make a city a good place in which to live. Those things they now want us to provide and pay for."

Referring to the provision that lots in the new tract will be 33 feet wide, compared to the conventional Daly City lot of 25 feet, Smith said, "Is it not a matter of fact that unless this territory comes into Daly City it will be governed by the county planning rules and the lots will have to be 50 feet instead of 33 feet wide? This alone adds some 1200 lots to the area and if valued at \$1,000 each, it means an additional profit to the Doelger Corporation of some \$1,200,000. If the corporation makes a profit of \$1,000 on the houses that can be built on these additional 1200 lots, that means another million dollars in their pocket."

"Why and how you consider all this a favor or even a fair proposition offered to our city rather than a favor to this corporation, as it surely is, I don't know."

"We are being annexed, rather than annexing others. What benefits are there about simply being a resident of a larger city? Will Mrs. Jones, let's say, up on Peoria street benefit by eventually having the inconvenience and expense of going down to the Lake Merced area to pay her water bill, to pay her taxes — especially with both of them raised — to transact any city business? What will the compensation be for these drawbacks? Maybe Mrs. Jones will say, 'I now live in a bigger city, and be fully consoled, but I doubt it.'"

"In conclusion, I wish to say that I feel an obligation to the people of Daly City and my family to help bring this matter to a vote and also to contribute liberally toward an educational campaign directed at showing this proposal in its true light in an effort to get the voters to repeal this ordinance."

Catholic Center in Millbrae Planned

Development of a 34-acre site in northern Millbrae, to include a hospital, gymnasium, schools for boys and girls, and a church and parish house, is planned by officials of St. Dunstan's Catholic church on El Camino Real. Rev. Norbert W. Feely of St. Dunstan's presented tentative plans to Millbrae councilmen last week. The new Catholic center would cover a nine-block area in northern Millbrae on El Camino Real.

Children's Animals Roam High School In Show Of Pets

Pets a-plenty roamed the grounds of the high school last Friday at the recreation department's pet show for Daly City children.

From huge canines to the tiniest of insects, 100 pets or more paraded over the field accompanied by their proud owners. Some, like the "Ink Family" of ants, owned by young Marlene Harris, were toiled about in bottles. Others, like Robert Wilson's huge dog, "Bud," practically out-sized their masters. The "Ink Family" took the overall award for smallest pets, while "Bud" laid claim to the title of largest. Prettiest was "Mickie," a dog owned by Don Kelly, and most costumed was "Spots," a turtle displayed by little Vickie Lewkowicz. Honors for the most unusual pets were shared by "Massy," a lizard shown by Fred Bertetta, and Richard Giusti, and Orin Wakefield's "Thunder and Lightning," a pair of hamsters.

DOGS HAVE THEIR DAY

Dogs were the most numerous entries, making judging a difficult job. Anne Bajar's puppy, "Puddles," whose name obviously suited his habits, took the prize for smallest. "Johnny Boy," Ed Kelly's pup, took the title for largest, and a basket of puppies displayed by Joyce Petty was judged prettiest. Vince Leonetti's dog, "Rusty," most definitely had the longest ears, and "Freckles," Lyn Nottingham's pup, the most spots. Lyn's dog, "Buttons," was judged the best cared for.

"Massy," Fred and Richard's lizard, took prizes in all divisions of the reptile classification, and Eileen Jones' "Snooky" and "Tipsey" copped all awards for cats. Guppies owned by Grant Ross and Pat Phillips, named "Tish" and "Guppy Boy," respectively, shared honors in the fish class.

RODENTS STAR
"Thunder" and "Lightening," Orin's hamsters, were judged prettiest in the rodent classification. David Jennings' "Dinky" sported the longest ears and the shortest tail, and "Tammie," owned by Leonard Mullen, the longest hair. "Sizyana," Colbeck's polywog, won the prize for most unusual amphibious pet, while "Waffles," a turtle shown by Tony Furger, was judged the largest. One of Albert Figone's "Little Four" frogs was the smallest among the amphibious, and "Queenie," Denny Mick's turtle, the prettiest.

CATERPILLAR WINS
A little boy who identified himself only as "Mike" displayed the prize-winning caterpillar, "Catty," who was given the prize for smallest of the bugs and insects. "Tim," a moth shown by George Roche, was judged prettiest, and Marlene Harris' "Tish," a slug, the largest. Insect fancier Marlene also won a prize for the most unusual entry, with her 1,000-leg bug, "T.L."

Of the fowl entries, Marlene's bird "Henrietta," was judged the prettiest, the smallest and the best costumed, while "Judy" and "Goldie," birds owned by John Nagel, won prizes for the largest, loudest and the biggest beak.

Winners of the contests which followed the pet show were:
Frog jumping — Albert Figone's "Little Four"; turtle race — Denny Mick's "Queenie"; watermelon-eating — David Rasmussen, Charles Lewkowicz, Paulette Enders and Sandra Faulk; pie-eating — Rose Eling, Ralph North, Jerry Gruenwald and Edith Detweiler; three-legged race — George Schreiber, Richard Neckritz, Barbara Marsh and Donna Shulda; sack race — Bob Moore, Bill Gensel, Ralph North, Bill Eling, Sandra Faulk, Geraldine Bertetta, Marie Smith and Janis Toole.

ELEMENTARY SCHOOLS

(Continued from Page 1)

a probable \$480,231 in state allocations. Building funds from the state will be forthcoming if the finance division of the board of education approves the amount recommended by the allocations division.

BOARD TO INSPECT

Superintendent Snell, embarking on a thorough check of maintenance and procedure in the school system, was authorized by the board to adjust the district's insurance to a six-month re-evaluation basis. On the recommendation of Snell, the board set 7:30 a. m. August 7 as the date for inspection of the entire district property by the board and superintendent. Salaries for non-certificated employees of the district, which have not been revised as yet, will be considered after the inspection.

On a suggestion by the superintendent, the board authorized him to make application to the state for a federal subsidy of two cents per pint on school milk, and to make application for the purchase of surplus foods suitable for serving with milk during the school hours. Only requisite for the government milk subsidy, Snell pointed out, is that milk be served free of charge to those children who are unable to purchase it. The superintendent also was directed to investigate methods of milk refrigeration to comply with a recommendation by the county sanitation inspector.

In other actions at the Thursday night meeting, the board of trustees employed Margaret Anderson and Elizabeth Mertens to teach in the Jefferson Elementary School district, as recommended by Superintendent Snell, and a n d granted a year's leave-of-absence to Mrs. Alice Walsh.

Adopted a school calendar for 1944-45 corresponding to the high school's calendar, and authorized the superintendent to investigate procedures preliminary to installing sewage pipes in the Garden Village site.

In an introductory message to the board and spectators, Superintendent Snell declared that the Jefferson district's building situation was "extremely critical." Figures show, he said, that it is among the most critical in the state, what with only \$845,614 available for expenditure now, and the prospect of some \$4,000,000 to be spent in the next 10 years.

UNEVEN BRAKING

Uneven brake action is sometimes caused by low or uneven air pressure in the automobile tires, points out the California Automobile Association.

COLMA BOYS CLUB IN 4-3 WIN OVER LUCKY

Coming through in the last innings to break a 2-2 tie, the Colma Boys Club baseball nine eked out a 4 to 3 victory over the strong Lucky Lager throwers Sunday at Harrison Playground.

Although they garnered only six hits to seven for the Luckies, the locals did their hitting where it counted most to come out on top. Mossi and Lunghi each gathered two hits for the Boys club.

Having lost only one game in league competition, the Colma club has its eye on the championship, with only two more games to be played.

The box score:

SIXTEEN NEW CITIZENS

Among sixteen petitioners admitted to American citizenship in Superior Court at Redwood City last week was Teresa Sampino of Daly City.

Superior Judge Clark Clement addressed the group on the benefits and obligations of their new allegiance.

Dorothy M. Doyle Commissioned Notary

Dorothy M. Doyle, of 6187 Mission street, received her commission as a Notary Public this week from Governor Earl Warren.

Mrs. Doyle is the wife and office assistant of Dr. J. L. Doyle, local physician.

County Tax Valuation Raised 11 Per Cent

A preliminary assessment report by County Assessor O. M. Hempstead indicated a total of \$192,969,751 as the taxable value of land, improvements and personal property in San Mateo county. The figure is a gain of 11.89 per cent, or \$20,516,598 over assessed valuation for the past fiscal year.

Taxable valuation in Daly City was set at \$5,172,370, compared to \$4,702,545 for 1947-48 and represents an increase of 9 per cent.

These figures indicate assessed valuation upon which the county taxes are levied.

Daly City was ninth in the county in line of total assessed valuation. San Mateo was first with \$26,194,025; Redwood City, \$15,120,910; Burlingame, \$15,010,405; South San Francisco, \$12,469,105; San Carlos, \$8,737,985 and San Bruno, \$6,015,385.

Hardware Nine Beats Jay Johnson's Team

In a bitterly-fought 10-inning game at the high school diamond, the Daly City Hardware nine came out ahead of the Daly City Boys Club by a 3 to 2 score.

Charlie Donlevy, Hardware pitcher, whiffed eleven batters, while the boys' club chucker, George McLeod, fanned 16.

It was a pitcher's battle all the way, with the winning run being scored on an error in the tenth.

The Boys club meets a new Bayshore team Sunday at 10:30 a. m. at Bayshore City.

FIRM GRIP

For safe driving, it's a good idea to let the right hand know what the left is doing by keeping both hands on the wheel.

Rena Canziani Weds Lloyd Curotto In Formal Nuptials

Attendants frocked in yellow and green chiffon preceded Miss Rena Canziani of South San Francisco down the aisle of the All Souls' Catholic Church recently when she became the bride of Lloyd Curotto.

The bride, daughter of Mr. and Mrs. Enrico Canziani, was accompanied to the altar by her father. The Rev. Varni pronounced the marriage ritual.

Gowned in white slipper satin with a sweetheart neckline and long, pointed sleeves, the bride carried a bouquet of white carnations and bouvardia, with a center of three white orchids. Tiny seed pearls trimmed the neckline of her gown, and her full-length veil was bordered with lace. For something old, Rena donned her wedding slip; for something new, her gown. Her handkerchief was borrowed, and a dainty blue garb completed the lucky tradition.

Mrs. Bernice Kerger, matron of honor, wore canary yellow chiffon and carried a bouquet of talisman roses, matching her crown. Pale green chiffon was worn by the bridesmaids, Mrs. Anne Monetini, Mrs. Gloria Babwin and Miss Georgia Bettolo, who carried bouquets of yellow carnations with matching crowns.

Ernest Kerger performed the duties of best man, while Sam Monetini, John Babwin and Ray Ferrando showed guests to their seats. Some 650 guests danced to the music of Mike Minucciani at a reception after the ceremony at the American Legion Hall in South San Francisco.

The bride's mother donned a blue crepe dress for the occasion, while Mrs. Palmira Curotto of Daly City, mother of the bridegroom, wore a navy print.

A graduate of South City High School, the young Mrs. Curotto was employed before her marriage at the Armour and company offices in South San Francisco. Her husband, a Jefferson High School graduate, is employed in San Mateo.

After a honeymoon trip thru Lake Tahoe, Sacramento, Reno, Yosemite and Los Angeles, the newlyweds have made their home at San Mateo.

\$686 Per Month County Health Position Open

The job of superintendent of field services in the county health department, in charge of prevention and control of communicable diseases, will be filled by civil service examination on Sept. 15, according to the county civil service commission.

Salary scale for the position ranges from \$686 to \$857 per month. Applicants must be doctors with an M. D. degree in public health and service in internship.

Home Laundry, Radio, De Soto Sedan Go On Display For Church

With a Bendix Home Laundry and Spartan Combination Radio-Phonograph already on display at Anderson's Refrigerator Service & Appliance Co. at 7046 Mission street, the main Carnival prize, a 1948 De Soto 4-door sedan, will be dacked out at the James E. Donahue showrooms, 6232 Mission street, early next week, according to Father William Stewart of Our Lady of Perpetual Help Church.

These items will be highlighted prizes of the church Festival and Carnival on October 1, 2 and 3. Members of the parish are actively promoting the affair, which is expected to be a smashing success.

50,000 Student Nurses Needed By Hospitals

The greatest peace-time drive for student nurses yet seen has been started by Mildred Riese of the American Hospital association. The association has set a quota of 50,000 student nurses for the current year.

Claiming demands for hospital care had increased more than 50 per cent since 1940, the AHA listed 8,646,885 hospital admissions in 1940, compared to 15,153,452 in 1946.

Although more graduate nurses are on duty than ever before, the demand continues to outstrip the supply.

NEW PAY SCALE

A tentative budget, providing a \$25 monthly salary increase for police officers, is being studied by the San Bruno police commission. If the raise is approved by the city council, San Bruno policemen will receive a maximum of \$290 monthly.

Burlingame Fights For Highway Trees

Joining the Burlingame Chamber of Commerce in its fight to preserve the eucalyptus trees lining El Camino Real between Burlingame and San Mateo, the Burlingame Women's Club has gone record against removal of trees.

The Women's group contends that El Camino Real between Burlingame and Peninsula avenue is beautiful to widen or change any way. It had been suggested that the trees be removed to widen the highway as a traffic aid.

MODESTO TAXES SHOWN

The third district court of appeals this week upheld the validity of two Modesto ordinances which impose a three-cent tax each paid admission to theatres in the city.

Redwood Theatres, Inc. asked an injunction, charging laws were discriminatory and reasonable.

Millbrae Annexes

The Millbrae Planning Commission has recommended that city approve annexation of New Mill Valley sub-division which will add 36 homes to the city.

The new residential area is located on Millbrae avenue near Cypress avenue.

New Electra Powerhouse now pouring power into P. G. and E. lines

Latest in the parade of new P. G. and E. power producers is the Electra plant on the Mokelumne River eight miles from Jackson. New Electra is one of four powerhouses, completed or underway, spaced along the river...powerhouses to take the muscle from the Mokelumne and put it to work for Northern and Central California homes, farms and factories. One Electra unit began pouring power on the line this week and, when at full capacity, Electra will produce 133,000 horsepower. The four Mokelumne plants will turn out a total of 250,000 horsepower.

A pipel of power . . . the penstock shown here feeds Mokelumne water from the reservoir to the powerhouse under high pressure. There it's jetted from giant nozzles at terrific speed against the water wheels that whirl power-making turbines.

Power enough to serve the cities of Berkeley, Richmond and Emeryville will pour out of New Electra. The entire Mokelumne project will produce nearly twice that much. And this is just part of our program of more power . . . to serve you better.

for the record
New Electra stands near the site of the first plant to serve San Francisco with hydro-power.
P. G. and E. is investing in California at the rate of more than \$10,000,000 a month.
The first half-million new horsepower is being added in the next seven months.

Work never stops on our power-building program

We're building ONE EVERY 45 SECONDS

but that's not fast enough for America!

KAISER

FRAZER

Service wherever you go

In just two years we've built and sold more fine cars than any other new manufacturer in automobile history.

Why? Because America fell in love with the KAISER and the FRAZER on sight. Folks are streaming into Kaiser-Frazer showrooms and learning from present owners how dependable these two great cars are. They're learning — from people who drive them — how soundly they are built . . . how economical they are . . . how much enjoyment there is in owning one.

THESE ARE THE MOST-COPIED CARS IN AMERICA, road-proved by 250,000 owners in two billion miles of driving.

Because plenty of Americans insist on comfort, convenience, style and value, traditional leaders had to "move over" — as Kaiser-Frazer became the fourth largest manufacturer of motor cars in the world in two short years.

Why wait? Enjoy your new car this summer. You'll get fair treatment and highest trade-in allowance.
